SKATTE STYRELSEN

Power of attorney

for authorisation of party representative for TastSelv

Guidance

This power of attorney form may be used for authorisation of a party representative via the authorisation scheme in E-tax for individuals (TastSelv Borger).

If a valid power of attorney is submitted, the Danish Tax Agency (Skattestyrelsen) can assist with the establishment of authorisation in E-tax for individuals, so that you can grant parties other than yourself access to your information in E-tax for individuals. For example, you can grant a family member or a firm of consultants access.

Scope of the power of attorney

You may grant full or limited authorisation to access your information in E-tax. You should only grant access to the information which the authorisation is to cover and which is necessary. This is indicated by ticking the access boxes below.

You can find an explanation of what the various access boxes contain on page 5 et seq.

If you wish to remove an access, you must withdraw your consent. You can do this by calling or writing to the Tax Agency.

Validity of the power of attorney

The maximum period of validity is set for 1 August four years ahead. The authorisation will then cease to be valid.
The authorisation may be extended before expiry of the period of validity in E-tax for individuals by changing the current authorisation.

If you want to grant a new power of attorney, you must submit a new completed and signed power of attorney form or contact the Tax Agency.

If the party representative does not hold a position that allows the representative to act on behalf of others, we will contact you to verify the validity of the power of attorney.

Withdrawal of authorisation

You may withdraw an authorisation at any given time. This means that whoever you have authorised will no longer have access to your information. You do this by contacting the Tax Agency, either in writing or orally.

Submission of power of attorney

The power of attorney must be submitted to the Tax Agency at the address:

Skattestyrelsen
Nykøbingvej 76
Bygning 45
4990 Sakskøbing.

The power of attorney may also be submitted via the party representative's contact form in E-tax.
